Last year's courses were hugely successful, with our pupils securing offers from St Paul's (boys and girls), Westminster, North London Collegiate, Eton College, UCS, Highgate and many other top schools.

Pupils loved the course. Our favourite quote comes from a young boy who'll soon take up his offer from City of London School for Boys:

"I learnt so much without even realising it, everything was so much fun!"

Lessons will take place in the lovely surroundings of St Marylebone CE School, just off Marylebone High Street.

Numbers are restricted, with our last course selling out in a matter of weeks, and the early-bird discount is time-limited to April 27th.
